

City of New Westminster McBride-
Sapperton
Residents' Association

Executive Meeting Minutes

Location: Neil Powell's house

Date of Meeting: Monday December 20, 2004, 7:00PM

Attendees:

Name:	Position:
Neil Powell	President
Dave Mullane	Secretary
Ken McIntosh	Traffic

1. Discussion of items for next Public Meeting.

Items were summarized and a list will be sent to Brian Coates.

2. Emergency Preparedness

Neil will check with Kevin for any updates.

3. Heritage Signage

Geoff's aerial photograph of Sapperton will be donated to the library to be put into their rotation for display. Burnaby is getting signage for North Rd. This may be worthwhile to check into to coordinate signage on East Columbia.

4. Liquor store zoning application

Casey Cook has received calls from the Fireside Pub & the owner of the property that they are looking to lease, to have another vote on the rezoning. Mayor Wright has been considering it.

The Merchants Association thinks that the MSRA has flip-flopped on their support for the rezoning and will also try to get it re-tabled. The owner of the Fireside Pub (Mr. Lee) has been invited to the next MSRA meeting

Need to check with Police for the Break-in record for the Fireside Liquor store. Suggest alternate locations for store i.e.: Click shop is moving in December.

5. General discussion of other developments in Sapperton

K.I.D.S daycare has decided to relocate rather than stay on the Sherbrooke Development site. They are starting to move their stuff out. Signage is almost up for development.

6. Sapperton Days

Will discuss in January general meeting.

7. E. Columbia Redevelopment

MSRA will meet with Lauren Wolfe with regard to grant money for Sapperton area after January meetings.

8. Liveable Region Coalition

Andrew Feltham will speak to the Gateway Project during the January meeting. Consider putting forward a motion for us to join with the Liveable Region Coalition.

B.E.S.T may be at the January meeting to talk about Go Green.

RCH is looking to adopt these initiatives – incentives to employees, carpools, bike lockers, showers, etc.

The Fraser Health Authority may come out to observe.
