

The New Brunette Interchange

Learn How Will it Impact YOU?

The MOTI Project Managers have agreed to do a presentation on the proposed options and answer questions. **This is the only scheduled public presentation about this project.**

Please Join The McBride Sapperton Residents Association along with:

Mayor Jonathan Cote
Jim Lowrie - City Director of Engineering
Judy Darcy - MLA
Ministry Project Representatives

For a crucial community discussion

Tuesday, November 22nd 7:15 PM
at Knox Presbyterian Church

- Understand the implications of each option
- Determine what additional information would be helpful
- Determine what concerns to communicate to the project managers
- Discuss the project as a community

What's at stake?

Your preferred option may be eliminated if you don't speak up **Online before December 23rd** or **In Person on December 6th** at Sapperton Pensioners Hall

We are requesting an immediate and emphatic response from this community!

*****Thanks for your consideration*****
